3. Komsomolsk Airframe Plants #126 and #130 are located on the north-east edge of Komsomolsk, USSR. The coordinates are 50 36N - 137 05E. The two plants, although adjacent to one another at Komsomolsk Airfield will be reported separately as follows:

(a) The limits of Komsomolsk Airframe Plant #126 are outlined in Figure 1 (Annotation A). The plant has a total estimated floorspace of 1,060,470 square feet. All the buildings in the airframe plant were included in the total estimated floorspace; however, only the major buildings have been annotated. Only one minor building has been added to the plant since [REDACTED] It is outlined in red and annotated as #1 (Figure 1 and Inset 1). This building contains an estimated 18,395 square feet of floorspace. The plant, in addition to the immediate airfield, is well served by both road and rail.
